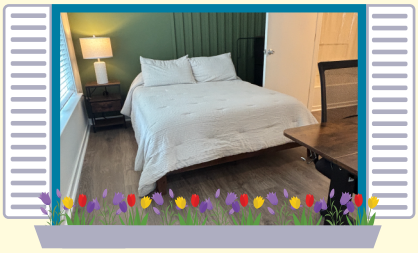
A Peek Inside Our Housing Initiatives...



Emergency Housing Quads

Our two, 4 bedroom/4 bathroom, temporary emergency housing condos are now fully operational! These condos serve as bridge housing for young adults transitioning out of foster care who are homeless and awaiting permanent housing. It's working! **Our first tenants were immediately housed in this beautiful and safe space, and moved on to their own apartment in 4-5 months.**

Hope Village at Method

Hope Village at Method, our housing partnership with CASA North Carolina dedicated to **permanently housing** our young adults, is fully leased with 8 of our Transition Program clients and 1 Community Life Coordinator! Hope Village at Method also hosts programming events open to all clients and community gatherings for residents.

Good news travels fast. At the end of the program year, we had the largest waitlist for services in Hope Center history, primarily due to word of mouth referrals from our youth. Help us build the capacity we need to create room for these young adults to start their journeys to stability with HCP.

THE HOPE CENTER AT PULLEN

Mission: The Hope Center at Pullen empowers emerging adults who are transitioning out of foster care in Wake County with the support and connections needed for a safe and stable adulthood.

OUR IMPACT 2025-2026

TEEN PROGRAMS

Our Teen Programs connect Wake County foster teens to supportive services and growth opportunities through internships, tutoring, mentoring, and life skills groups.

2026 Summer Interns at Work!

25 foster youth completed our summer internship program, working over 2,300 hours and collectively earning almost $28,000!

92% of interns received exemplary performance reviews at the end of their internship.

Two interns received job offers for permanent positions!

100% of interns felt motivated by their experience to continue their education.

100% of interns felt better prepared to enter the world of work after completing their internship.

Participation in LINKS Academy, our weekly life skills program for foster teens, has increased 72% percent from the previous program year!

98 Foster teens participated! + **98** Former foster youth and their children received services! = **196** Total people served!

TRANSITION PROGRAM

Our Transition Program is there for former foster youth every step of the way on their journey to stability and independence. Together, we work towards goals in housing, education, employment, and mental health.

Our model is working! 100% of our youth experienced measurable, sustained growth.

We prevented homelessness for **100% of youth** who were in danger of being evicted. All of these young people are still maintaining their housing without our financial support.

76% of our young adults are furthering their education.

In 5 years we've awarded $112,000 in Fast Track Scholarships!

In 2026, we started a new internship program for Transition clients in partnership with Capital Area Workforce Development!

67% of HCP clients engaged with a mental health professional.

21 clients sustained mental health engagement for a full year!
